

Surface Warship Association

Membership Application Form

What the Surface Warship Association (SWA) offers its members

- 1 Discounts from various manufacturers and suppliers from 5% up to 20% - as detailed in newsletters and available on production of a current membership number .
- 2 Public Liability Insurance (£5 million details available from the Secretary on request)
- 3 Publication of a quarterly newsletter covering assorted aspects of the hobby and providing insight on warships of many nations and eras.
- 4 A range of events to meet other fellow modellers.
- 5 A database with contact details of other members at home and abroad who have like interests and may have information that will be useful to you including drawings, books, photos and in some cases personal knowledge of their model subjects.
- 6 Practical expertise in most aspects of marine modelling with particular reference to the scale warship field, both working and static, and guidance on research via external sources.
